Parking at TCHC 415 Willowdale Ave.

(refer to the 415 Willowdale map for this to make sense)

Options:

1. Using the 415 Willowdale parking lots

There are 4 parking lots at the 415 Willowdale complex.

the South West lot has only Tenant Parking

the North West lot has full centre-aisle Visitor parking.

the North East lot centre aisle Visitor parking is only on the south half of the centre aisle.

the South East lot has full centre-aisle Visitor parking.

To use Visitor parking you must have a parking pass - there are 2 types:

- a. You can get a parking pass from a NIN – tenants are allowed 9 passes per month for visitors. Tenants must request them from the superintendent and this might take a day to arrange. The pass must be displayed in the driver side car dashboard, showing the date issued and the TCHC building (i.e. 415 Willowdale) - the permit is valid until 12:00 the following day. Your car could be ticketed or towed if it is parked in Visitor parking without a permit visible, so you cannot leave your car unattended while you fetch the pass.
- b. You can display an Agency permit which the conference is in the process of securing. There will be one permit which will be passed on from month to month with the Visitor book and food coupons.

2. On-street parking

Streets adjacent to 415 Willowdale allow on-street parking to varying extents - see the map;

where allowed on-street parking is shown with a  and where prohibited with a 

Depending on the apartment being visited, on-street parking can be almost as close as some of the TCHC parking lots.
